

ASSERTION OF RIGHTS CARD

- I will provide my driver's license, registration and proof of my insurance
- I will sign a citation, if any, then I want to leave immediately
- I will not answer any questions without an attorney present
- I do not have to, and refuse to, do any "field sobriety tests"
- If I am arrested, I want to speak with an attorney, Robert Goldsmith (206) 623-1592. If an attorney there is not available, I want a public defender.
- I will submit to a breath test, provided I can speak to an attorney first. If I am requested to take a breath test, I also want an additional legal blood test.
- If I am not under arrest, I want to leave. Please tell me so I may lock my car and walk away. Thank you.
